Panel discussion

The deadline for the submission of contributions is Friday 5th July 2013.

A three or four-person panel discussion will focus on a significant aspect of teaching and/or learning that might be of interest to a wider audience. As a guide, panelists will be asked to address the selected topic for up to five minutes each. The topic will then be open to the audience for discussion with the chair summarising the main threads at the end of the session. Panel discussions are allocated a full 50 minutes.

Abstract submission: 250-350 words. The proposal must include the theme of the discussion, explain why it is relevant and provide the names of the panelists who have agreed to participate.

Abstract submission is via the EasyChair conference management system. Go to:

<https://www.easychair.org/conferences/?conf=spotlight2013>

(If you are not already signed up with EasyChair you will need to create an account first. Go to:
